Materials

- Yarn weight Sport (12 wpi). Cotton yarn or a mixed yarn. Approx. 180yd/1.76 oz (165m/50g)
- Hook 3,5mm for the main patt and Hook 3mm for ribbed borders and straps
- 8 buttons - 1/2"-5/8" (12-15mm)
- Stitch markers, scissors

This pattern is written using US crochet terms:

st (sts) - stitch (stitches)

ch - chain stitch

sl st - slip stitch

sc - single crochet

blo - back loop only

inc – increase - 2sc into the next st

dec – decrease

sc2tog – work 2 dc together (decrease)

*How to decrease: **sc2tog** - 2 single crochets are joined into one loop. Insert the hook in back loop of next stitch and pull the yarn through, then pull the yarn through the 2sd from the hook stitch. Now you have 3 loops on your hook. Yarn over and pull it through all loops.*

Main pattern: All the rows are worked in sc into blo.

Gauge: work 23sts and 26 rows in sc working blo to measure 10x10 cm (4x4 inch) using a 3.5mm crochet hook, or size required to obtain the gauge.

Please check the gauge before you start!
