[BEATRIX THE LITTLE WITCH]

I. MATERIALS & TOOLS:

1. Yarns:

- Skin color No.73 YarnArt Jeans
- Black color No.53 YarnArt Jeans
- White color No.01 YarnArt Jeans
- Orange color No.23 YarnArt Jeans
- Orange color No.77 YarnArt Jeans
- Grey color No.46 YarnArt Jeans
- Orange color No.3453 Gazzal Baby Cotton
- Green color No.3449 Gazzal Baby Cotton

I used sport yarn 160m/50g (55% cotton - 45% acrylic). If you cannot find same yarn, you can use different yarn, but not too thick or too thin.

>> Suggestion for similar yarn: Gazzal Baby Cotton, Etrofil Jeans, Alize Cotton Gold, Kartopu Amigurumi Yarn, Susan Family Yarn (brand of China)..

2. Materials & Tools:

- Crochet hook size 2.3mm
- Black safety oval eyes size: 10mm
- Polyester fiberfill for stuffing: 300gram
- 3 small buttons
- Felt fabric black color
- Ribbon black color size 9mm: 2 strands of length 35 cm
- 2 pieces of wire with length of 35cm (single cooper wire) - If you want a wire diagram to make the doll sturdy
- Dry twig 20cm long to make a broomstick and 20 gram of hemp rope (can use natural raffia instead of hemp rope)
- Deep orange blush makeup or orange acrylic paint for cheeks
- Sewing needle; Scissors
- Fabric glue or glue gun

3. Noted:

- Crochet hook should be suitable with yarn. In case you only have larger or smaller crochet hook, please note that: with large hook (2.5mm), you should crochet tightly, and with small hook (2mm), please loosen your hands to achieve the best result.
- Each round is done in a continuous spiral. You can use stitch marker or different color of yarn for following your rounds.
- Stuff every 4-5 rounds to get equally filling. Do not stuff too tight or too loose.
- Make extra stuffing for the head and tighten before sewing to keep the neck stay firmly with the body.
- You can adjust the length of the skirt, decrease the number of rows if it is too long.

Beatrix the Little Witch height about 30 cm, suitable for decoration or baby toys.
