

# THE FINLEY BLANKET

- Finished size measures 45" wide x 53" long
- This blanket is worked lengthwise
- To change the length, chain any odd number
- To change the width, simply add more rows
- ch 2 does not count as stitch
- 2hdc means 2 hdc's in same stitch

## The Finley Blanket

*The Finley Throw is worked length-wise to create vertical stripes instead of horizontal. It uses two stitches that work well together, giving this blanket a modern look with fantastic texture. The blanket works up quickly and has just the right amount of weight to it to keep you nice and warm on those cool summer nights.*
