## HOW TO INDENT AMIGURUMI EYES

<https://youtu.be/ta3HI1hU8SY>

*Use the black cotton yarn.*

Take the thread. Pull it through the back of the head and pull it out above the right eye. Leave the tail on back head's part.

Pass the needle from below under the left eye and pull out under the right eye. Make sure that the yarn falls from the inside of the left eye.

Next, pass the needle from above the right eye, making sure that the thread lies on the inside of the eye. And pull out the needle in the same place behind the head.

Tighten both threads so that the eyes are sunken. Tie a knot, hide the tail inside the head.

## **EARS** (2 pieces)
