- |                       |      |
|-----------------------|------|

| 5-10 (6 rounds) 15hdc | (15) |

-- Fasten off with a slst and cut the yarn long for sewing.

-- Fasten the ears to the 7 loops on both sides of the tiny flap in the middle of the bag. Sew the back of the ear to the back loop and the front to the front loop. You can get support from the photos.

## **BAG STRAP:**

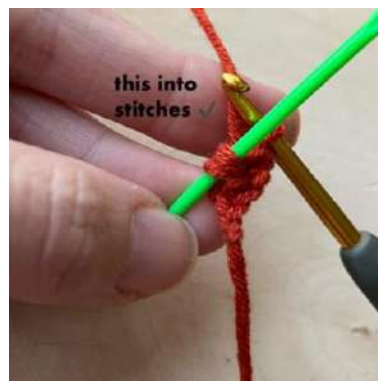

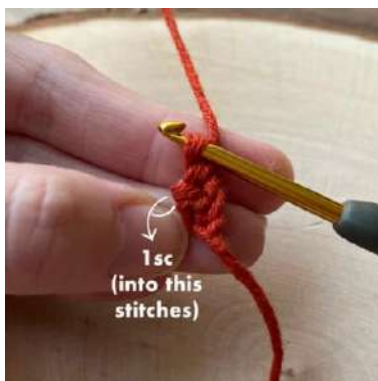

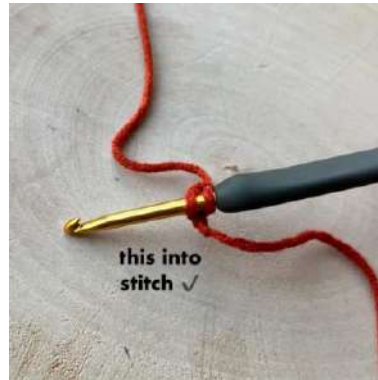

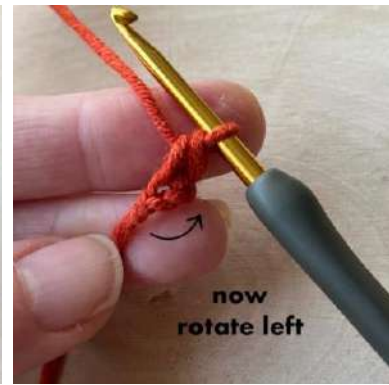

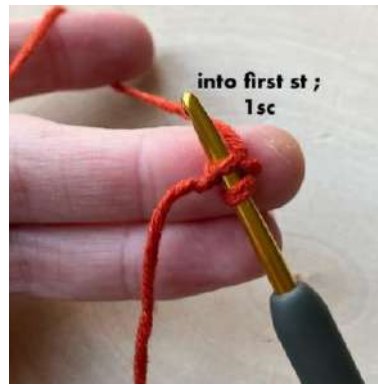

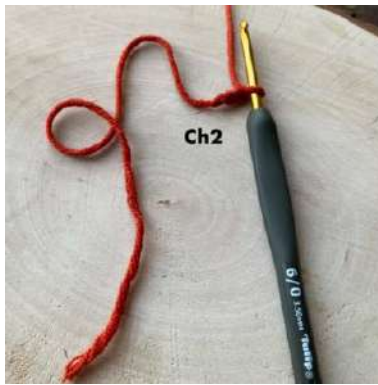

-- With cream color yarn and 3.5mm hook;

**I crocheted with the cord technique →**

When starting, leave enough yarn for sewing.

Ch2, skip first st and crochet 1sc. Rotate the cord and crochet 1sc into the loop I showed in the photo. Turn it again and from two loops insert your hook under them, crochet 1sc. We will do the same until we reach 85cm in length.

-- You can get support from photos.

-- My friend's youtube video will help you with this. Link is here.

<https://youtu.be/9VfL0iB7308>

-- Sew the strap just side the ears. Don't cut the yarn! Sew the strap with two rows of ears and fasten them together. This way the ears will not fall off.

### **BUNNY EYES;**

-- **Make 2 of them. With brown color yarn and 2.2mm hook;**

1- Into MR 6sc

-- Fasten off and cut the yarn long for sewing. Count from top to bottom. Sew the eyes to the 7th row with a distance of 7hdc

### **NOSE;**

-- Embroider a tiny nose as in the photo with pink yarn and needle.

-- Finally, you can color the cheeks and ears if you want. I used make-up blush because I didn't want it to be permanent.

**CONGRATULATIONS!**

Now you have a cute bag 😊  
With my love..
