

Butterfly

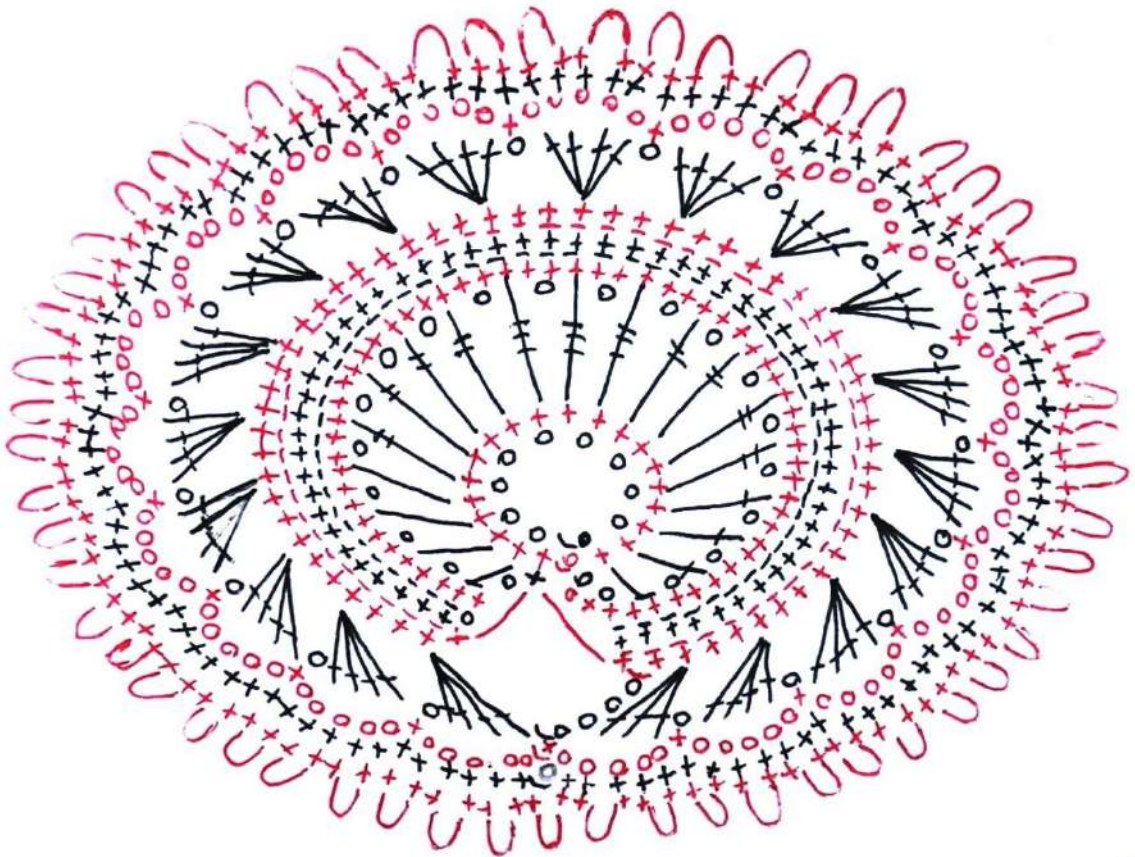

Yarn: DMC Babylo 20

crochet hook 0.6

CROCHET SYMBOLS:

	chain (us/uk)	
	crochet beginning	
	turning chain (us/uk)	
	5chain join into a ring (us/uk)	
	slip stitch (us/uk)	
	6chain arch (us/uk)	
	single crochet (us)	double crochet (uk)
	half double crochet (us)	half treble crochet (uk)
	double crochet (us)	treble crochet (uk)
	treble (triple) crochet (us)	double treble crochet (uk)
	double treble crochet (us)	treble treble crochet (uk)
	crossover stitches (us/uk)	
	double crochet 3 stitches together(us)	treble crochet 3 stitches together (uk)
	double crochet increase by 2 more stitches (us)	treble crochet increase by 2 more stitches (uk)
	puff stitch (us /uk)	
	mirror reverse sc (us)	mirror reverse dc (uk)
	reverse sc(us)	reverse dc (uk)
	picot (us /uk)	

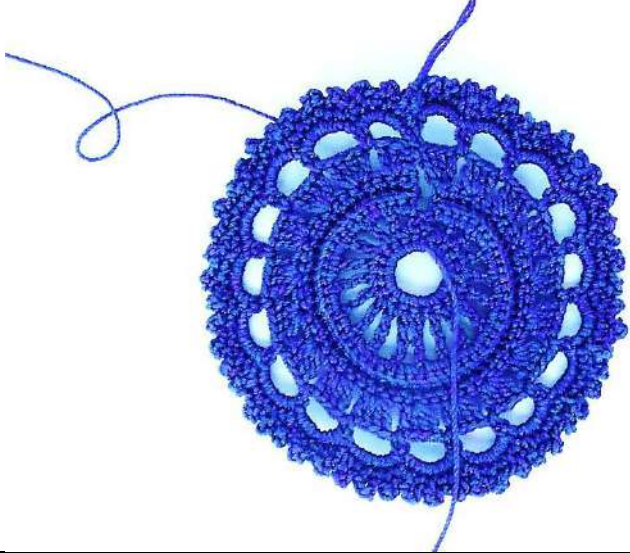

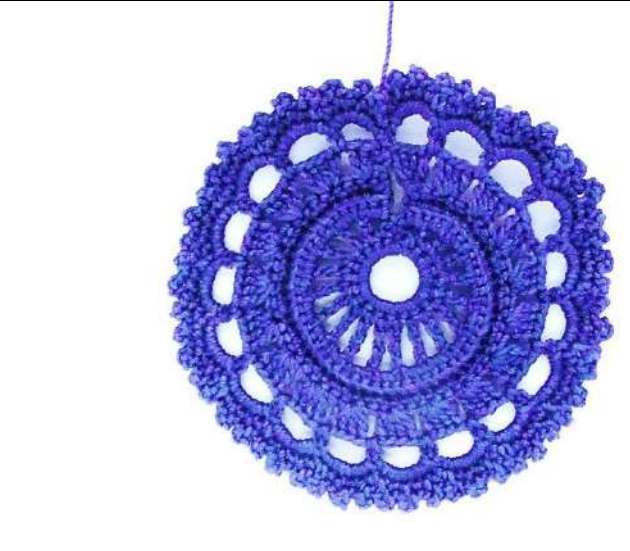

Abbreviation:**slst** – slip stitch**sc** – single crochet**ch** – chain**dc** – double crochet**tc** – treble crochet**dtc** – double treble crochet**PR** – previous row**rep** – repeat**Small wing**

Row	Photo of the row	Description of the row
-----	------------------	------------------------

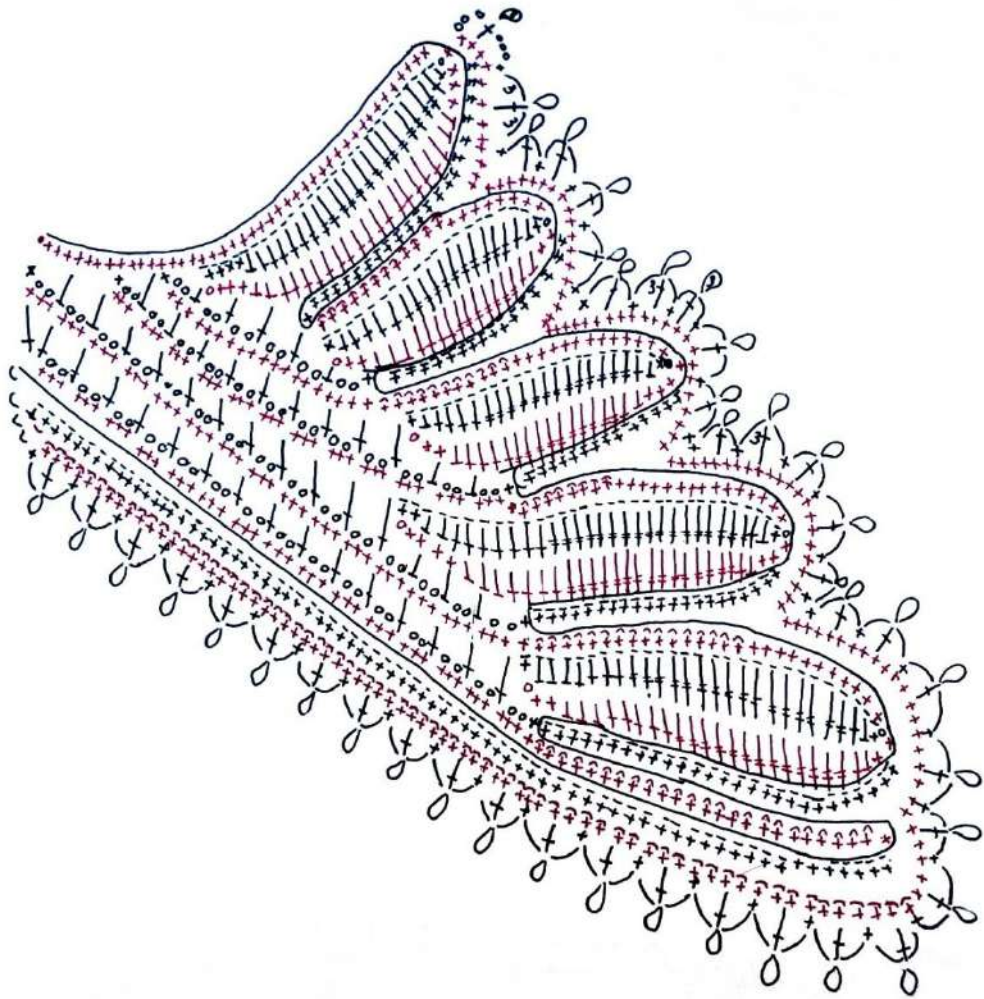

1		<p>10 ch, join into the ring.</p>
2		<p>Work 21 sc, 1 slst into the 1st sc to join</p>
3		<p>Then work around different crochets, and always make 1 ch between: 2 ch, 1 hdc, 3 dc, 4 tc, 3 dc, 4 tc, 3 dc, 1 hdc, 1 sc</p>

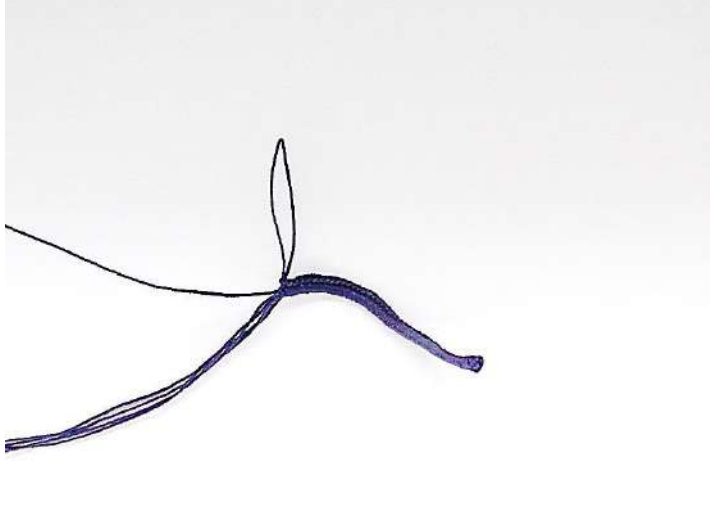

4		<p>Work another round: *make 2 sc into the arch, 1 sc into the loop of PR* - rep till the end. Total 56 sc</p>
5		<p>1 ch, turn And work 56 sc in back loops</p>
6		<p>1 ch, turn And work 56 sc in back loops</p>

7		<p>Turn. 3 ch, 3 dc in the same loop, then work: *1 ch, skip 2 loops, 4 dc in the next same loop* - rep till the end. 1 slst in the 3rd ch Total 19 rapport</p>
8		<p>Then make arches: *1 sc in the 1ch of the PR, 5 ch* - rep till the end. 1 slst in the 1st arch</p>
9		<p>Work 6 sc in each arch</p>

10		<p>Work: *1 sc, 3 ch, 2 sc, 3 ch* - rep till the end</p>
11		<p>Small wing is ready Cut the yarn, hide the 1st tail into the middle of motif, and leave the 2nd one to sew to the butterfly body.</p>

Big right wing

Row	Photo of the row	Description of the row
1		<p>Work over the 4th thread cord 43 sc</p> <p>(Cord has to be minimum 65 cm or longer)</p>

2		<p>Turn and work without the cord in <u>back</u> loops only:</p> <p>1 sc 1 hdc 1 dc 15 tc 5 dc 1 hdc 4 sc</p>
3		<p>Turn and work:</p> <p>1 ch 3 sc 2 hdc 17 dc 2 hdc 3 sc</p> <p>1 sc over the cord</p>
4		<p>Turn, attach the cord, and work together in back loop</p> <p>21 sc (attaching the cord to the row)</p> <p>1 sc over the cord only</p> <p>Pull the cord, straight the cord, make the wing align.</p>

		(Later the waviness can NOT be correct)
5		Turn and work 12 sc with the cord (attaching the cord to wing) on <u>front</u> loops Then work 8 sc over the cord only
6		Turn and work without the cord in <u>back</u> loops only: 1 ch 1 sc 1 hdc 1 dc 10 tc 5 dc 1 hdc 1 sc

7		<p>Turn and work: 1 ch 2 sc 3 hdc 4 dc 7 tc 1 dc 1 hdc 2 sc</p> <p>1 sc over the cord only</p>
8		<p>Turn and work 16 sc on back loops attaching the cord to the wing. Then leave the cord and make arches on the side of the wing. Try to measure even spaces between arches in every 3rd loop: 1 sc, 2 ch, 1 hdc, 2 ch *1sc, 2 ch* - rep 2 times 1 hdc, 2 ch 1 sc into the 3rd loop of the lower cord. Has to be 6 arches in total</p>

9		<p>Turn and work 3 sc in each arch. Then 1 sc into the 1st loop of the wing Then grab the cord and work 11 sc on <u>front loops</u> and over the cord together (attaching the cord to the wing); and then work 13 sc over the cord only</p>
10		<p>Turn and work without the cord on <u>back loops</u> only:</p> <p>1 ch 1 sc 1 hdc 1 dc 13 tc 4 dc 1 hdc 1 sc</p>

11		<p>Turn: 1 ch 2 sc 1 hdc 4 dc 10 tc 1 dc 1 hdc 3 sc 1 sc over the cord only</p>
12		<p>Turn and work 14 sc on <u>back loops</u> attaching the cord to the wing. Then leave the cord and work without it: 1 sc, 2 ch *1 hdc, 2 ch* - rep 1 time *1 dc, 2 ch* - rep 7 times 1 hdc, 2 ch 1 sc into the 3rd loop of the lower cord (Make crochet on even distance from each other. Total 11 arches)</p>

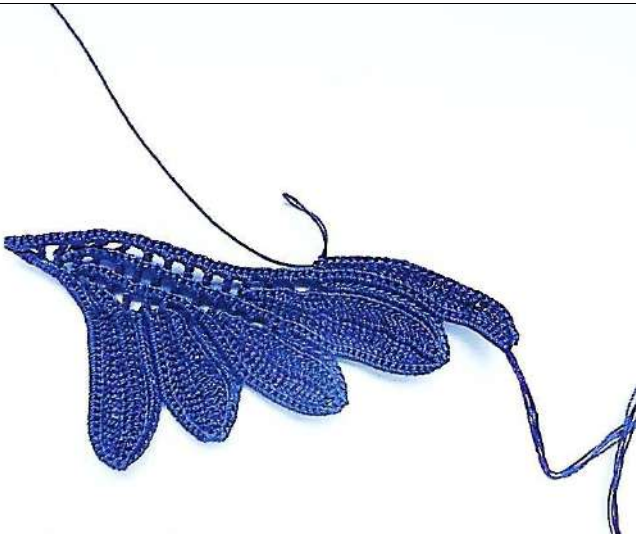

13		<p>Turn and work 3 sc in each arch. Then 1 sc into the 1st loop of the wing Then grab the cord and work 8 sc on <u>front loops</u> and over the cord together (attaching the cord to the wing); and then work 15 sc over the cord only</p>
14		<p>Turn and work without the cord on <u>back loops</u> only:</p> <p>1 ch 1 sc 1 hdc 1 dc 17 tc 7 dc 2 hdc 2 sc</p>

15

**Turn:****1 ch****4 sc****3 hdc****4 dc****15 tc****2 dc****1 hdc****2 sc****1 sc over the cord
only**

16

**Turn and work 21 sc
on back loops
attaching the cord to
the wing.****Then leave the cord
and work without it.****Make arches:****1 sc, 2 ch*****1 hdc, 2 ch* - rep 2
times*****1 dc, 2 ch* - rep 9
times*****1 hdc, 2 ch* - rep 1
time****1 sc into the last loop
of the lower cord
(Make crochet on
even distance from
each other. Total 15
arches)**

17		<p>Turn and work 3 sc in each arch. Then 1 sc into the 1st loop of the wing Then grab the cord and work 16 sc on <u>front loops</u> and over the cord together (attaching the cord to the wing); and then work 11 sc over the cord only</p>
18		<p>Turn and work without the cord on <u>back loops</u> only:</p> <ul style="list-style-type: none"> 1 ch 1 sc 1 hdc 1 dc 16 tc 3 dc 4 hdc 1 sc

19		<p>Turn: 1 ch 2 sc 3 hdc 5 dc 13 tc 1 dc 1 hdc 2 sc 1 sc over the cord only</p>
20		<p>Turn and work 26 sc on <u>back loops</u> attaching the cord to the wing. Then leave the cord and work without it. Make arches: 1 sc, 2 ch *1 dc, 2 ch* - rep 11 times In the end make 1 dc and 1 sc. (Total 13 arches)</p>

21		<p>Turn and work 3 sc in each arch. Then 1 sc into the 1st loop of the wing Then grab the cord and work 24 sc on <u>front loops</u> and over the cord together (attaching the cord to the wing); and then work 1 sc over the cord only</p>
22		<p>Turn and work sc till the end on <u>back loops</u> attaching the cord to the wing. Leave the cord and make 1 sc into the last loop</p> <p>The cord is NOT needed anymore</p>

23

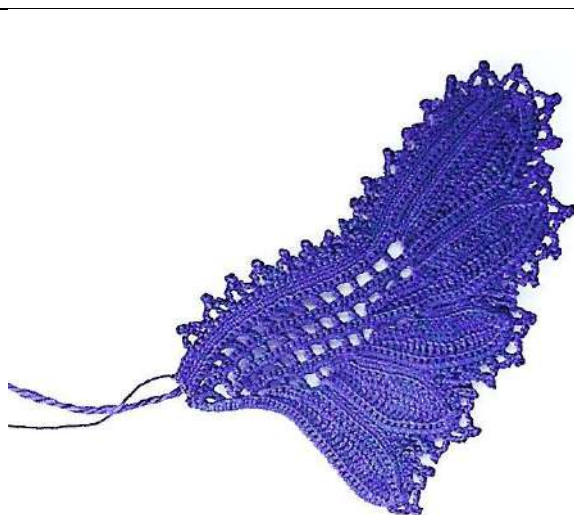

Turn and work 1 slst into the 2nd loop, then work sc till the lower end of the wing on front loops.

Note. On wing tops make additional 2 or 3 sc (on top edges we have made 1 sc over the cord only)

On lower edges of the wing insert the hook between the vertical threads of cord loops

24

Turn
3 ch, 1 dc into the 2nd loop, 3ch-picot, 3 ch, 1 dc into the 2nd loop - rep all around the wing.

Note. You can correct some waviness by skipping the more loops or working in each loop.

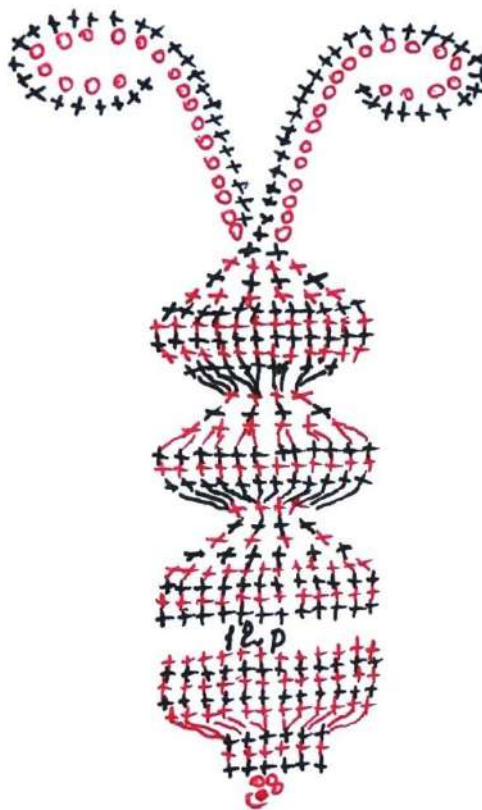

Finish last arch

		approximately 0.5 cm till the end and work slst.
--	--	---

Big left wing

- Make as well as the right wing, with only two differences:
- Always SWITCH back loop to front loops and opposite (If the description says work on BACK loops you need work on FRONT loops. And opposite if the description says work on FRONK loops you need work on BACK loops).
 - In those rows, where we have made arches, you LEAVE the cord before the work.

Body of the butterfly

1		<p>In amigurum loop (or sliding loop) make 1 ch and 6 sc. 1 slst into the 1st sc to join. Pull up the yarn to tight the ring.</p> <p>Then always work in back loops</p>
2		<p>Work around 1 row – 6 sc</p>
3		<p>Then work in each loop: 2 sc, 1 sc, 2 sc, 1 sc, 2 sc, 1 sc.</p> <p>Total - 9 sc.</p>

4		<p>Then work in each loop: *1 sc, 2 sc* - rep till the end. Total 13 sc</p>
5		<p>Work needed round rows on a spiral per 13 sc. During the work put a little filler inside (or put cotton fiber, or polyester, or just unneeded left threads)</p>
6		<p>Measure the body length. The head has to be just over the wings</p>

7

**Make decreasing:
1 unfinished sc,
then 1 more
unfinished sc,
then all 3 loops on
the hook tie up
together; 1 sc into
the next loop.
Work this way till
3 loops are left on
the hook.**

**Now start
increasing (for the
head): make per 2
sc in each loop.
Continue till 15 sc
in the round.
Make 15 sc in 1
more row.
Then make
decreasing: *2
unfinished sc
work together*.
Work this way till
1 loop is left on
the hook**

8		<p>Making antennas Right antennas: 20 ch, 1 slst into the 8th loop from the hook. Then work slst all around little ring <u>anticlockwise</u>. Then do down with slst till the head, 1 slst in the beginning of the antenna.</p>
9		<p>Left antenna: 20 ch, 1 slst into the 8th loop from the hook. Then work slst all around little ring <u>clockwise</u>. Then <u>do down with slst till the head</u>, 1 slst in the beginning of the antenna.</p> <p>The body of the butterfly is ready</p>

10

**Sew all parts to
the body of
butterfly.**

**Cut the yarn, hide
the tails, and
steam the motif.
Ready.**
