

Cat Ring Dish

Project

Overview: Make the ring dish in spiral from the center outward. Make the cat ears and tail separately and then stitch them to the dish.

Diameters ~ 4 x 4 x 1 in / 10 x 10 x 2.5 cm

Note:

- Work the ring dish with 2 strands of yarn, and the ears and tail with single strand of yarn.
- *Do not* sl st to join in each round throughout the project unless mentioned otherwise.
- Pattern Quick Note (next page) helps to track your progress. Have fun!

Materials

- **Yarn**
 - **Brand:** Lily Sugar n' Cream
 - **Type:** Cotton Yarn
 - **Color:** Ecu, Jute
 - **Size:** 4-medium / Worsted
 - **Amout:** ~ 0.85oz/ 24g , 14.4yd/ 13.2m per dish
- **3.5mm & 4mm Crochet hooks**
- **Tapestry needle**
- **Scissors**
- **Stitch Marker**
- **Metal wire / Twist tie (~2.75")**

 *We recommend starting out with the materials listed above for the similar end product as picture shown. Please feel free to try a different type of yarn and hook size for more varieties, keeping in mind that this might change the size and texture of the end product.*

TIP

Abbreviations

ch(s): Chain(s)

inc: Increase, 2 sc in the same sp

R: Round

rep: Repeat

sc: Single Crochet

sl st: Slip Stitch

sp: Space

(...): Make the stitches in () all in 1 space

***...*:** Repeat the sequence in ** for X times

Pattern Quick Note

Ring Dish

R1: magic ring, 6 sc, sl st

R2: Ch 1, inc x6 = 12 sc

R3: *1sc, inc*x6 = 18 sc

R4: *1sc, inc, 1sc*x6 = 24 sc

R5: *3sc, inc*x6 = 30 sc

R6: *2sc, inc, 2sc*x6 = 36 sc

R7: *5sc, inc*x6 = 42 sc

R8-9: 1 sc each sp = 42 sc

Cat Ears(make 2)

R1: magic ring, 6 sc, sl st

R2: Ch 1, *2sc, inc*x2 = 8 sc

R3: *3sc, inc*x2 = 10 sc

R4: *4sc, inc*x2 = 12 sc

R5: *5sc, inc*x2 = 14 sc

Tail

Row 1: Ch 4, 3 sc

Row 2: Ch 1, turn, 3 sc

Row 3-14: Rep Row 2

Let's Get Started!

R1: With double strands of yarn and a 4mm hook, make a magic ring, 6 sc into the ring, sl st to the first ch to join (Picture 1, refer Appendix for detailed tutorial for magic ring). [6 sc]
- You can either work with 2 balls of yarn, or combine the both ends of one yarn ball together –one end from the center, one end from the outside of the yarn ball.

R2: (Always mark the first st with a st marker and move the marker to the next starting st) Ch 1, inc in each sp around (Picture 2). No sl st joining unless mentioned otherwise. Work the next st in the arrow sp of Picture 3 (i.e: the starting st). [12 sc]

R3: *1 sc next sp, inc next sp* (Picture 4), rep ** 5 more times. [18 sc]

R4: *1 sc next sp, inc next sp, 1 sc next sp* (Picture 5), rep ** 5 more times. [24 sc]

R5: *1 sc next 3 sp, inc next sp* (Picture 6), rep ** 5 more times. [30 sc]

Ring Dish Completed!

R6: *1 sc each next 2 sp, inc next sp, 1 sc each next 2 sp* (Picture 7), rep ** 5 more times. [36 sc]

R7: *1 sc each next 5 sp, inc next sp*, rep ** 5 more times (Picture 8). [42 sc]

R8-9: 1 sc each sp around, the project should start to curl in to form a dish (Picture 9). Sl st next sp to end after R9 is completed, snip and fasten off. [42 sc]

- **Turn the project** inside out like the arrows shown in Picture 10, the back of the project should be contacting the surface when the dish is in used (Picture 11).

A 'Bendable' Cat Tail

Step 1:

With single strand of yarn and 3.5mm hook, ch 4, 1 sc each sp starting from the second ch from hook. *Ch 1 (doesn't count as 1 sc), turn (Picture 12), *1 sc each next 3 sp*. Rep from ** for 12 more rows. Snip and fasten off, leaving a long yarn tail for seaming . [3sc x 14 row]

Step 2:

Thread the yarn tail through the tapestry needle, fold the tail piece in half, seam the edges together with the ladder st for a couple sts (Picture 13 & 14).

Step 3:

Insert the metal wire or twist tie to the tail piece (Picture 15, circle) and continue with the ladder st across, keep the yarn tail for stitching (Picture 16).

Cat Ears (make 2)

- R1:** With single strand of yarn and a 3.5mm hook, make a magic ring, 6 sc into the ring, sl st to the first st to join. [6 sc]
- R2:** Ch 1, *1 sc next 2 sp, inc next sp*, rep ** 1 time. Push the magic ring upward to form a cup (Picture 17). [8 sc]
- R3:** *1 sc next 3 sp, inc next sp*, rep ** 1 time. [10 sc]
- R4:** *1 sc next 4 sp, inc next sp*, rep ** 1 time. [12 sc]
- R5:** *1 sc next 5 sp, inc next sp*, rep ** 1 time, sl st next sp to join, fasten off, leaving long yarn tail for stitching. Flatten the cone shaped piece to a triangle ear. Rep all steps and make another ear (Picture 18). [14 sc]

It's all coming together

Step 1: Thread the yarn tail of one ear through the tapestry needle (Picture 19), insert needle through the last sl st sp of the ring dish (Picture 20, arrow), then through the base of the ear (Picture 21, arrow), rep the looping between the dish and the ear (i.e: whip st) until the piece are well attached, weave in ends.

Step 2: Rep Step 1 to attach another ear. I placed my ears with 3 sp apart (Picture 22), feel free to make your own adjustment and be creative with your kitty!

Step 3: Place the tail at the back of the dish, in between both ears (Picture 23), stitch it on with whip st until well attached (Picture 24).

Stitches. Connect. Us.

Job MEOW Done on your Cat Ring Dish!

APPENDIX - Magic Ring

Step 1: With either single or double strand of yarn, wrap yarn into a ring (Picture 1), grip ring and tail firmly between middle finger and thumb, insert hook through center of ring, yarn over working yarn and draw up a loop (Picture 2), yarn over and pull through the loop to make your first sc (Picture 3).

Step 2: Rep and make 5 more sc into the ring. Then close the ring by pulling the yarn tail (Picture 4), so all the sc are gather toward the center.

Step 3: Sl st to first sc to join (Picture 5), magic ring completed (Picture 6).
