

# CHICK GRANNY SQUARE

CROCHET PATTERN

## MATERIALS NEEDED

- Lightweight acrylic yarn in 5 colors: Yellow, White, Gray, Orange, and Black
- 4 mm hook
- Yarn Needle
- Scissors

## MEASUREMENTS

The square is 11 cm x 11 cm

## STITCHES USED | ABBREVIATIONS

- MR - magic ring
- Slip knot - sl knot
- ch - chain
- sc - single crochet
- p - picot stitch
- hdc - half double crochet
- dc - double crochet
- tc - triple crochet
- inc - increase (2sc in 1 st)
- dc inc - double crochet increase (2dc in 1 st)
- sl st - slip stitch
- \* \* - repeat the sequence

## NOTES

- The ( ) at the end of each round/row indicates the total number of stitches that should be completed for that round/row.

- When working through the rounds/rows, work through the entire stitch (back loop and front loop); unless stated otherwise.

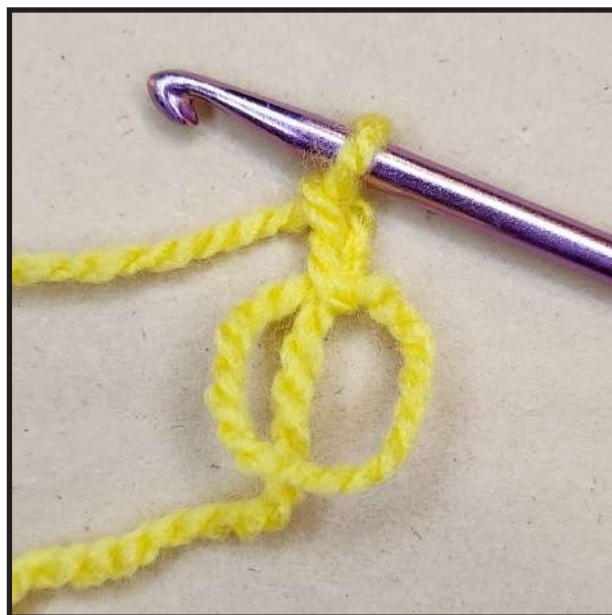

- The ch1 or ch2 at the beginning of each round do not count as stitches unless stated otherwise.

- You can use any yarn to make this square. For example, if you use a smaller hook and a suitable yarn, the square will be smaller.

## SQUARE

Using the yellow yarn

**Round 1:** MR, ch2, 12dc inside MR (12)

Tighten the MR by pulling on the tail and then sl st in the 1st dc (skip the ch2).

**Round 2:** ch2, \*dc inc\* all around (24)

**Round 3:** ch2, \*dc, dc inc\* all around (36)

**Round 4:** ch2, \*2dc, dc inc\* all around (48)

**Color Change:** at the end of Round 4, you will need to do a color change.

- Method 1: change color at the last dc of Round 4.
- Method 2: after Round 4, finish off with an invisible stitch and then attach the new color.

Invisible stitch: after you are done with Round 4, cut the yarn, leave a long tail, and pull it all the way through. With your needle, go into the 2nd dc from the back to the front through both loops, and then go through the center of the last dc towards the back. Pull the tail tight enough to create a stitch on top of the 1st dc and then weave in the excess yarn to secure it.

The invisible stitch provides a cleaner finish. However both methods work great, so use the one that works best for you.

Insert your hook into any stitch and attach the new yarn by pulling it through the stitch.

**Round 5:** ch1, \*3sc, 2hdc, 2dc, [2tc + ch2 + 2tc] in the same stitch, 2dc, 2hdc\* all around (68)

Sl st in the first sc that you did at the beginning of Round 5.

**Round 6:** ch2, \*dc\* all around and [2dc + ch2 + 2dc] in the ch2 space (84)

At the end of the round, finish off and weave in any excess yarn.

You can finish off using the invisible stitch method or sl st in the 1st dc and then yarn over and pull the yarn all the way through.

## EGG SHELL

Using the white yarn

**Round 1:** MR, ch3 (counts as a dc), 5dc in MR (6)

Tighten the MR

**Round 2:** ch3 (counts as a dc), turn, dc in the same st, \*dc inc\* all around (12)

**Round 3:** ch3 (counts as a dc), turn, dc inc, \*dc, dc inc\* all around (18)

**Round 4:** ch3 (counts as a dc), turn, dc, dc inc, \*2dc, dc inc\* until the end of the round (24)

Start crocheting along the straight edge of the half a circle. While crocheting in the side of the dc, each dc will be assumed as 2 stitches side by side.

**Row 5:** ch1, \*skip a st, [hdc, tc, p, hdc] in the same st, skip a st, sl st\* (20)

To do the picot (p) stitch:  
Ch3 and then sl st in the back of the 3rd chain.

## EYES X2

Using the black yarn

**Round 1:** MR, ch1, 5sc in MR (5)

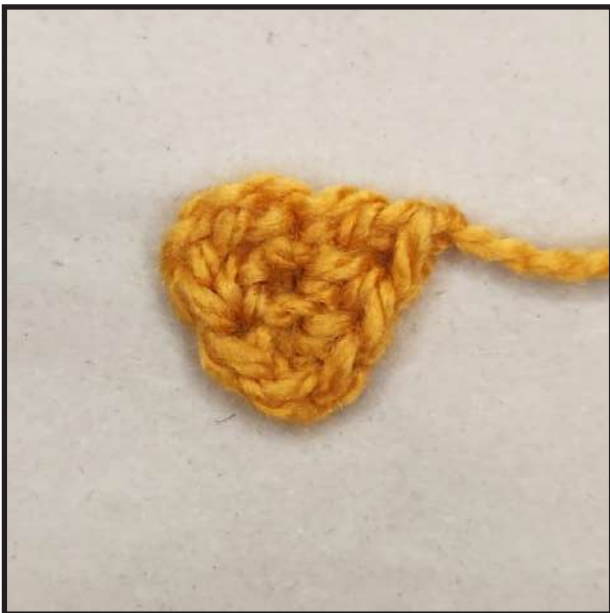

Finish off and leave a long tail for stitching.

## BEAK

Using the orange yarn

**Row 1:** sl knot, ch6 (last 3 chains count as a dc), hdc in the 5th ch away from the hook, 3sc in the last st (this will allow you to turn and start crocheting in the back of the stitches, hdc, dc (7)

## ASSEMBLY

Place the face components on the square. Use the tails for stitching.

Align the components onto the square similar to the image below.

 THANK YOU!
